DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Ovedovitz on 3/6/07.

The application has been amended as follows:

- Claims 17 and 18 insert, "A computer storage medium have stored therein," before the first line in each claim.

The following is an examiner's statement of reasons for allowance:

Independent claims 1, 17, and 19, when considered, as a whole in light of the specification, is allowable over the prior art of record. Specifically, prior art of record fails to teach or suggest the limitations of a first updating section for updating the candidate table based on an association between the final character sequence selected by means of the character sequence finalization section and the character sequence which has been input by the user, the update being made only when the determination section determines that the candidate table is to be updated.

Independent claims 10, 18, and 20, when considered, as a whole in light of the specification, is allowable over the prior art of record. Specifically, prior art of record fails to teach or suggest the limitations of a first updating section for updating the candidate
